

ALPHA at LISVANE BAPTIST CHURCH

Comments from previous attendees

Were you a Christian before you did Alpha ? / Would you call yourself a Christian now ?

...Yes / yes , whoop !

...Christian "wannabe" at start, Christian gonna be now / I hope so !!

...Yes / see previous question

... No, grew up C of E / No not yet.

... No, didn't have a belief, or was agnostic / No but I do have a greater insight into Christianity

...I thought I was – KNOW that I am now / Definitely and very grateful.

... No I was an atheist / I/m still an atheist bit I have a better understanding

...Yes / Yes but the depth of my faith and how comfortable I am with it has changed

...I thought I was until I started going to church again ... a gradual process but one that has been helped to develop by the Alpha course

Why did you come on the course ?

... Because I wanted to bring people

...To further my faith and answer questions that I had

... My wife persuaded me. I agree to try 3 sessions and ended up willing to attend the whole course

... I wanted to see if Christianity was true

... I wanted to learn more

... Because my friend said they wanted an atheist !

... Persuasion from my friend. It would have been ages before I found time otherwise.

Was the course what you expected ?

... It was sort of what I expected

... Yes

... Yes

... Much more fun than I expected

... No,.. I expected it to be more formal

... It was more than I expected – much better

... I expected to cover God a lot more than Jesus and the other topics.

... I hoped (well expected !) something dramatic to happen to me .. I've learned that I need to be patient.

... Yes – but it is better with 12 people than 6 !

What was the best thing about the course ?

... Watching people change.

... *The diverse age range. The delivery style. The Holy Spirit week-end. J's cake !*

... Warmth, friendliness

... *Food and lively discussions*

... The group and the food

... *Everything ! Holy Spirit week-end – very special.*

... The discussions after the “argument”

... *The trust/friendship & support from the group. I dreaded it ending.*

... The group, the desserts, the scope of discussions, the support

Has it changed you / your views or attitudes in any way ?

...Not really

... *Oh yes.*

... It has made me think more about my beliefs , why and how.

... *Yes, but not sure how .*

... Yes

... *I feel that it has changed my life.*

... It has made me understand why people are religious

... *Yes – not as much as I would have liked. I keep finding I have slipped but know where to find help.*

Would you recommend it to your friends ?

... Already have but am planning to bring more.

... *Absolutely yes !*

... It would depend on the person.

... Yes

... Yes for the discussions ...

... *Definitely*

... Yes , yes, yes – already have

... Yes

Any other comments

... Food – yummy !

... *Thank you to my peers and especially to And my new friend God Bless*

... I have really enjoyed meeting with these people .. to me a very special group ... thank you for your commitment

... *Loved the course. I need more of it though ! I have lots more questions to ask !*

... I am so grateful... I'm excited about the rest of my life ... I have also made some fab friends !!

... *I have learned more about the Christian faith than I ever imagined.*

... I have been blessed by many experiences & discussions during the course and have shared things I wouldn't normally dream of sharing but feel blessed by having done so
